

With the City of Euharlee, the Euharlee Historical Society, Inc. is continuing a fundraiser to place a series of American flags, flanking both sides of the road, through historic district of Euharlee from the Welcome Center and History Museum to the famous covered bridge. 2019 was the inaugural year and we are excited to continue this project.

The American flags are placed in honor of veterans of all five branches of the US Armed Services, living or deceased, during the week leading up to Veterans Day.

We wish to flank both sides of the historic district of Covered Bridge Road with 3'x5' American flags on 10' flag poles. These flags will then be used in the same fashion for all local and national patriotic celebrations and/or remembrances such as Memorial Day, Flag Day, Independence Day, September 11th, and Veterans Day.

The **Euharlee Stars and Stripes Project** is asking for donations in increments of \$50. These donations will help fund the EHS scholarship, vibrant high quality 3'x5' nylon all-weather American flags, 10' galvanized flag poles, and metal plaques to be placed at the foot of each flag with the honoree and donor's name on it.

Donor Name: _____ Donation _____ x \$50 = total \$ _____

Phone: _____ Email: _____

Plaque Inscription: _____ (max. characters 32/line)

Please include honoree's name and, if desired, donor name in the inscription.

Make check payment to **Euharlee Historical Society, Inc.**

All donations are tax deductible

Put **Flag Fundraiser** in the memo line

Mail to 33 Covered Bridge Rd, Euharlee, GA 30145

Thank you for honoring our local veterans!
